Help us Send More Youth to College!

CHILD International is able to provide you and many other students with scholarships because of the financial support of caring donors in the community. Continued support from these generous individuals and corporation, is critical. When donors have the opportunity to read in our newsletter and other publications or meet scholarship students in person and learn about how their donations directly help to improve the lives of the students, they are often inspired to provide additional support. By sharing your story, you help future students achieve support in order to follow their dreams of a college education. Please Choose One:
